## **Faculty Positions Smead Aerospace Engineering Sciences**

Ann and H.J. Smead Aerospace Engineering Sciences Department in the College of Engineering and Applied Science at the University of Colorado Boulder invites applications for two tenure-track/tenured faculty position in all areas of aerospace engineering sciences.

The Department's vision of successful candidates includes their potential for developing innovative and inspiring teaching and research programs that address relevant technical challenges, contribute to academia and the aerospace industry, and support diverse communities. For information about the department, please visit <http://www.colorado.edu/aerospace>.

These positions are targeted at the assistant professor level; other levels will be considered for experienced candidates with outstanding credentials. A Ph.D. degree in Aerospace Engineering or a related field is required.

Application materials are accepted electronically through Job Posting 11150 at <https://www.jobsatcu.com>. Applicants are requested to indicate in the cover letter their main area of research, and to provide a curriculum vitae and statements of research and teaching interests, which may include the candidate's experience and vision for working with and contributing to diverse communities. The names and contact information of four references should be included. The cover letter should be addressed to the Search Committee Chair Prof. Kurt Maute, Ann and H.J. Smead Aerospace Engineering Sciences Department, University of Colorado Boulder.

Review of applications will begin December 15, 2017 and continue until finalists are identified.
